

Projects Approved by Board: FY 22

S. No.	Focus Area	Project	Description
1.	Water Stewardship	To replenish 2.26 lakh m ³ of water across 3 identified water stressed locations: Kumbalgotu 26000 m ³ ; PDL 1.2 lakh m ³ ; Nashik 80,000 m ³ .	Through various interventions, Diageo will work towards increasing the availability of water, access to portable drinking water and WASH facilities to communities in which it operates, while enabling an environment to facilitate sustainable water management.
2.	Underage Consumption	To educate 45000 students between the age group of 13-17 years on the harmful effects of under-age drinking	Diageo through its programme "Act Smart India" will create awareness for alcohol-related harm amongst students through an impactful drama-based module.
3.	Anti Drink-Drive	To educate 80,000 consumers and enforcement officials on impacts of drink driving.	Diageo, through a A UNITAR designed e- module will create awareness amongst consumers and enforcement officials on harmful impacts of drink driving.
4.	Inclusive Communities	To train 800 individuals belonging to unprivileged section of the society on various skills required in the hospitality domain with an objective to create sustainable livelihood opportunity.	"Learning for Life" is a business and hospitality skills programme, providing equal access to skills and resources to impart sustainable livelihoods opportunities and support a thriving hospitality sector.
5.	Women Empowerment	To empower women by imparting various skills required, giving them an opportunity to lead a dignified life.	Diageo, will impart training to women on various vocational skills including mushroom cultivation, phenyl making etc. to create a source of livelihood for them.
